Introducing the Bandana-Guide Community Safety Initiative

Safety Education. Community Awareness. A Helping Hand When It's Needed Most.

The Bandana-Guide Community Safety Initiative combines practical safety education with an opportunity to help build a local emergency assistance resource called the **Community SafetyNet**.

Bandana-Guides are portable safety education guides covering First-Aid, Home Safety, Personal Safety & Defense, Food Safety, Vehicle Safety, and many other useful subjects.

For every $19.95 Guide purchased online, up to $10 is allocated to the community identified by the purchaser's Safety Code, typically their ZIP Code.

These allocations help build a local SafetyNet intended to assist community members facing unexpected emergencies.

Participation is voluntary, and purchases are made directly through the Bandana-Guide website.

Discover the Initiative, explore the Bandana-Guides, and learn how your community can participate.
