Dear Families,

We would like to share information about the **Bandana-Guide Community Safety Initiative**; a program that combines practical safety education with support for families facing unexpected emergencies.

Bandana-Guides are portable safety education guides covering subjects such as First-Aid, Home Safety, Personal Safety & Defense, Vehicle Safety, Food Safety, and many more.

Bandana-Guides kept close at hand make them valuable additions to your family's safety resources—and thoughtful gifts for your loved ones, too!.

Each Bandana-Guide costs $19.95, with up to $10 allocated to the community identified by the purchaser's Safety Code, typically their ZIP Code.

These allocations help build a local **Community SafetyNet**, designed to provide one-time assistance to community members facing unexpected hardships.

Participation is completely voluntary.

There are no school sales, collections, or inventory responsibilities. Purchases are made directly through the Bandana-Guide website.

Thank you for helping make our community a safer, stronger, and a more caring place.
