FFA — Agricultural Leadership & Community Safety

Students Helping Communities | Community Safety Initiative

Growing Safer, Stronger Communities

FFA students understand the importance of responsibility, preparedness, and helping neighbors. Whether working on a farm, participating in outdoor activities, or serving their communities, young agricultural leaders know that safety matters.

The **Community Safety Initiative** offers local FFA chapters an opportunity to connect agricultural leadership and community service with a practical effort to help families facing unexpected emergencies.

Through educational Bandana-Guides and locally supported Community SafetyNets, students can help raise awareness of safety while encouraging neighbors to look out for one another.

How FFA Students Can Participate

With their advisor's approval, students can:

- Share ready-made safety messages with school and community audiences.
- Highlight farm, outdoor, wilderness, and first-aid safety.
- Introduce families to the Community SafetyNet.
- Practice leadership and communication through a simple community-awareness activity.

How the SafetyNet Works

When someone purchases a Bandana-Guide online at **www.Bandana-Guide.com**, entering their local ZIP Code or an applicable Partner Code helps direct community allocations to the appropriate SafetyNet.

For a regularly priced $19.95 Bandana-Guide, $8 supports the local SafetyNet, and an additional $2 is available to the participating Community Partner, like FFA, which may choose to direct that amount to the SafetyNet as well.

The SafetyNet is intended to provide one-time emergency assistance to local families and individuals facing unexpected hardships.

A Simple Way to Begin

Choose an approved message from the School Resource Center, personalize it if permitted, and share it through an advisor-approved channel—email, social media, newsletter, etc.

No money collection. No inventory. No complicated administration.

Just FFA students putting leadership, safety awareness, and community service into action.

Participation is subject to school and advisor approval. This resource is intended for local chapters and does not imply national FFA endorsement.
